

GRIGORIOS VIGELLIS

Commercial Director, Union Pipes Industry, UAE

Eng. Grigorios has been working in the international plastic pipes industry for over twenty-eight years. Prior of joining Union Pipes Group in 2015, was leading the international sales of Hepworth Corys piping in Dubai UAE, offering complete range of HDPE and PVC pipes & fittings, as well as HDPE liners.

Eng. Grigorios previously worked also with various multinational plastic pipe manufacturers, been Sales Director at A.G. Petzetakis SA and Technical Sales Manager at Pipelife.

Union Pipes Industry has one of the largest extrusion & injection facilities in UAE, Saudi Arabia & India mainly producing large diameter PE & PP pipes, fittings, manholes and special machined from hollow-bar large diameter fittings.

Gregory is a mechanical engineer with a BSc from the National Technical University of Athens and MSc in fluid dynamics from The von Karman Institute for Fluid Dynamics.
