

SIMON THOMAS

Simon Thomas is an international business consultant, with over 25 years' experience in the manufacture of thermoplastic structured wall pipe systems. He was managing director at Weholite in the UK from 2001 to 2018, where he helped to introduce the first large diameter HDPE structured wall products into the marketplace.

Simon now travels the World helping to develop Weholite thermoplastic structured wall pipe businesses for Uponor Infra Oy and their Licensees as well as market development for marine intakes, outfalls and other subsea applications.

He is also a member of the Pipeline Industries Guild (PIG) in the UK.
